"Lead Me Home"

One, two, three

I have seen my last tomorrow
I am holding my last breath
Goodbye world, sweet world of sorrow
My new life begins with death

I am standing on the mountain
I can hear the angels' songs
I am reaching over Jordon
Take my hand, Lord, lead me home

All my burdens are behind me
I have prayed my final prayer
Don't you cry over my body
That ain't me lying there

I am standing on the mountain
I can hear the angels' songs
I am reaching over Jordon
Take my hand, Lord, lead me home

I am standing on the mountain
I can hear the angels' songs
I am reaching over Jordon
Take my hand, Lord, lead me home
Take my hand and lead me home
