It hangs above my altar  
Like they hung Him from a cross  
I keep one in my wallet  
For the times I feel lost  
In a wooden frame with splinters  
Where my family kneels to pray  
And if you listen close  
You'll hear the words He used to say

I've got a picture of Jesus  
In His arms so many prayers rest  
We've got a picture of Jesus  
And with Him we shall be forever blessed

Now it has been spoken  
He would come again  
But would we recognize  
This king among men  
There was a man in our time  
His words shine bright like the sun  
He tried to lift the masses  
And was crucified by gun

He was a picture of Jesus  
With Him so many prayers rest  
He is a picture of Jesus  
In His arms so many prayers rest  
With Him we shall be forever blessed

Somedays have no beginning  
Some days have no end  
Some roads are straight and narrow  
And some roads only bend  
So let us say a prayer  
For every living thing  
Walking towards a light  
From the cross of a King

We long to be a picture of Jesus  
In His arms so many prayers rest  
I long to be a picture of Jesus

With Him we shall be forever blessed.
