I have finally found a way to live
Like I never could before
I know that I don't have much to give
I can open any door

Everybody knows the secret
Everybody knows the score
I have finally found a way to live
In the color of the Lord

I have finally found a way to live
Like I never could before
I know that I don't have much to give
But soon I'll open any door

Everybody knows the secret
Everybody knows the score, yea
I have finally found a way to live
In the color of the Lord

I have finally found a way to live
Like I never could before
I know that I don't have much to give
But I can open any door

Everybody knows the secret
Everybody knows the score, yea
I have finally found a way to live
In the presence of the Lord
