Thought I could avoi temptation  
Lying to myself again  
Heading for disintegration  
Seems like nothing more remains

I thought you wanted it this way  
A time when everything's for sale  
Go out and shop and you'll be saved  
But nothing's worth a dime  
I hope you're happier this way

Sold myself for liberation  
Prostitute my mind again  
Whoring for appreciation  
Bend over and don't complain

[Chorus]

Nothing is sacred  
Nothing to small  
To weird or at all  
Unsellable

[Chorus]

Guess I'll get back in line  
Guess I have nothing more to say  
Guess I'll just bide my time  
Just hope I'm happier this way
