Oh, feel me fall away
'Cause I'm too much
For the wounded
And I know it falls on me
It's not right
When you're not right
This day won't make me

Hold all of me back
For the sane
Oh, and fall
For the selfless
And the plain
And this free fall
Isn't so bad
But this mind I
Let it go
Let it breathe
Let it take away
Let it turn away my own mind
Fate.

Feel me fall away
Cause I'm too much
For the wounded
And I know it falls on me
That its not right
But you're not right
This day wont make me...

Fall
Far
Fall
Oh, a jaded better man would take this night
So bend me back
And feel alive
Theres no one word, one place, tonight

Feel me fall away
Cause I'm too much
For the wounded
And I know it falls on me

That it's not right
But you're not right
This day wont
This day wont
Breed
