I'm not afraid
Of leading the line
Another day
Leading me blind
Another night
Oh where's your weight, oh where's your tide

Is everything
Feeling the same
The "never was"
Leaving you plain another night
Oh where's your weight, oh where's your tide
I find myself
Alone
But the featureless are mine

Feel, fade iron man
When I walk away
Then I walk away

Feel, fade iron man
When I walk away
Then I walk away

I'm not afraid
Of beating it down
Another face
Feeding me old and tired eyes
Oh where's your weight, oh where's your tide

Is everything
Feeling the same
The "never was"
Leaving you plain another night
Oh where's your weight, oh where's your tide
I find myself
Alone
But the featureless are mine

Feel, fade iron man
When I walk away
Then I walk away

Feel, fade iron man
When I walk away
Then walk away

I'm not afraid
To be alone
Down, down, down I fight
A little more
A little less
And the page, page, page
Is mine
Is mine
Is mine

Feel, fade iron man
When I walk away
And I walk away, yeah

Row love
Row love
Row
Row love
Row how long, how long
To breathe, breathe
