To see those tears gleam in her eyes
I am so sadly mesmerized
I am nothing without you
So full of bliss about you

Angel...
Time is a wilderness
A vast desert of age

The sadness in your eyes
Lost faith
I realized why you cried
Now I realized why...

Angel...
Time is a wilderness
A vast desert of age

Chant my holy name
As the clouds descend
Storms blow by, and
Your name is written in the sand
So far away...

I see those tears gleam in her eyes
So sadly mesmerized
I am nothing without you
No, I'll never doubt you... oh, love

Angel...
Time is a wilderness
A vast desert of age

That sadness in your eyes
Lost faith
Now I've realized why.

- (Angel losing faith) -
You cried..."I fear for life"
I sighed...
Then you died

You cried...
"Why am I an angel losing faith?"
