I'm incredible

I know that I'm a flirt
They tell me everyday
They love them shy boys who lives out of their way
(way)
I know I leave them on sway on the way back (back)
The say that they love me but ain't sending them back
(no)

So this is my apo-lo-lo-lo-lo-lo-lo-gy-gy
You thought that you was gonna getting with me, me
So this is my apo-lo-lo-lo-lo-lo-lo-gy
Cause I'm already in love and I'm not messing it up
So I'm sorry
My apo-lo-lo-lo-lo-lo-lo-gy-gy
You thought that you was gon' be gon' be getting with
me, me
So this is my apo-lo-lo-lo-lo-lo-lo-gy
Cause I'm already in love and I'm not messing it up
So I'm...

So they tell me that I'm fresh
I tell them they're fine
All these lovely girls got one of a kind
She lets me do my thing girl I'm in love with your touch
And the in the other world she's mine
And she is mine
And I am hers
Don't listen to them, all of this talk is absurd
And she is mine
And I am hers
Don't listen to them, all of this talk is absurd

So this is my apo-lo-lo-lo-lo-lo-lo-gy-gy
You thought that you was gon' be gon' be getting with
me, me
So this is my apo-lo-lo-lo-lo-lo-lo-gy
Cause I'm already in love and I'm not messing it up
So I'm sorry
My apo-lo-lo-lo-lo-lo-lo-gy-gy
You thought that you was gon' be gon' be getting with

me, me
So this is my apo-lo-lo-lo-lo-lo-lo-gy
Cause I'm already in love and I'm not messing it up

So she is mine
And I am hers
Don't listen to them, all of this talk is absurd
Cause she is mine
And I am hers
Don't listen to them, all of this talk is absurd
Baby you got my word

So this is my apo-lo-lo-lo-lo-lo-lo-gy-gy
You thought that you was gon' be gon' be getting with
me, me
So this is my apo-lo-lo-lo-lo-lo-lo-gy
Cause I'm already in love and I'm not messing it up
So I'm sorry

My apo-lo-lo-lo-lo-lo-lo-gy-gy
You thought that you was gon' be gon' be getting with
me, me (apo-lo-lo-lo-lo-lo-lo-gy)
So this is my apo-lo-lo-lo-lo-lo-lo-gy (apo-lo-lo-lo-lo-lo-lo-

Spending all my time loving you and only one girl at it
too

Spending all my time loving you and only one girl at it
too

So this is my apo-lo-lo-lo-lo-lo-lo-gy.
