How to find an Order
How to find an Order

Pay attention when I show you Symmetry
Organize your gaze perception Symmetry
It's Fearful Symmetry

It's Fearful Symmetry

And it's itching my eyes: dust and sand
And it's itching my eyes: dirt and ash
And it's itching my eyes!

Animals climbing out the outsides
Faces pointing toward one another
Touching hands with each other

Pay attention when I show you
Symmetry
Symmetry
Symmetry

Life giving trees grab the Sun
Take away the light
Take Away The Light

And it's itching my eyes: dust and sand
And it's itching my eyes: dirt and ash
And it's itching my eyes!
