It seems like no one sees the obvious
It seems like no one cares to try to understand
A map and some sense is all you need
To get the bloody picture clear
The breed by their traditions, passing their god on
To the new blood, wide open for reception
It seems like no one sees the obvious
It seems like no one cares to try to understand
Look; we've got the pagans to the south - feeding their
gods
Jesus disciples in our TV - needing their god
We breed our beliefs
Again and again we breed beliefs
Still the picture aint bloody clear
The bombs are since birth attached to our bodies
For infidels, all ready for destruction
Look; we've got the pagans to the south - feeding their
gods
Jesus disciples in our TV - needing their god
We breed our beliefs
A well meaning mother continues
Look; we've got the pagans to the south - feeding their
gods
Jesus disciples in our TV - needing their god
We breed our beliefs
