We talked a lot on the long ride home
The sunsets, film starts to roll
Well this is your big scene
I moved in I moved in for one last kiss
The lights dimmed as I leaned in
They yelled cut, that wasn't in the script!

(I fall) To my knees
(You are) More than silver screens

I'll scream your name at night
With your picture by my side
I'll scream your name at night
The TV screen haunts me tonight
When I see you in the scenes
It's like a wave that rushes over me
I'll scream your name at night
Flooding every one of my dreams

Curtain close, soundtrack plays
But there wasn't a happy ending
You're all that I need
We'll never be
I won't lie I won't lie I must confess
To you I cling, I would never hurt you.

(I fall) To my knees
(You are) More than silver screens.

I'll scream your name at night
With your picture by my side
I'll scream your name at night
The TV screen haunts me tonight
When I see you in the scenes
It's like a wave that rushes over me
I'll scream your name at night
Flooding every one of my dreams

I'll scream your name at night
With your picture by my side
I'll scream your name at night
The TV screen haunts me tonight

When I see you in the scenes
It's like a wave that rushes over me
I'll scream your name at night
Flooding every one of my dreams.

In my dreams, (in my dreams)
well in my dreams, (well in my dreams)
Well in my dreams
