With a lit cigarette
Smoke up all of your regret
I'll write you a novel for
Every mistake that you made

Just another fashion trend
The critics scream for what has been
Dying and previewed
The cast has been reviewed

With a single cigarette
You'll burn a hole right through your dress
So you pack your bags
And I try to stop you as
You walk out the door
(I'm begging for, I'm begging for)
A quarter past the dot, time is all we got
I'm locked out in front of your door
(Door)

For every mile that I drive
I'll turn the clocks back in time
4 years and 2 days
This machine is saving us
If I failed to mention
We're only a dimension apart
And I can't explain just how I feel
Fighting and stalling
Our master plans falling

So you pack your bags
And I try to stop you as
You walk out the door
(I'm begging for, I'm begging for)
A quarter past the dot, time is all we got
I'm locked out in front of your door
(Door)

I'm begging for a change
4 years and 2 days away
I'm begging for a change
4 years and 2 days

So you pack your bags
And I try to stop you as
You walk out the door
(I'm begging for, I'm begging for)
A quarter past the dot, time is all we got
I'm locked out in front of your door
(Door)
(I'm begging for, I'm begging for)
