Lit  
Fuse  
Feed  
Forever  
I'm alive  
Fuck all this shit  
I'm never coming home  
I ain't gonna sleep  
Ain't gonna answer  
The phone  
Gonna wander this earth  
Til there's nowhere  
Left to roam  
Got help this time  
Gonna kick and climb  
Feel so high  
Like I'm never gonna fall  
No not me  
No not at all  
Time's up this time  
Gonna kick and climb  
Feel so high  
Like I'm never gonna fall  
No not me  
No not at all  
Carry me  
No more  
Hang my head  
No more
