Oh man  
I've been nothing  
For all month  
Can't decide  
Whether to scream  
Or keep my mouth shut  
They say  
"You wait, you'll get  
Your chance..."  
But sometimes that shit  
Don't move fast enough  
Can I give you  
What you need  
Mouth's dry  
And there's egos to feed  
I get cut up  
Sometimes I don't bleed  
I got a moron inside  
It gets anxious  
From time to time  
No matter  
What day what time  
He always gets in  
The last line  
Let's get down to it  
I've got ammunition  
Now what the fuck  
Am I supposed to do with it?  
Man it's a pain  
Running the gauntlet  
Again and again  
But I'm used to it  
And I've got stupidity  
To put me up to it  
And it makes me  
Want to scream  
When I feel those bullets  
Rip through me  
Can you see through me?  
Blast first  
Outburst  
I'm prepared for the worst
