Faith full of holes  
And Empty Promises  
Are all that they had for you  
Trade flesh and bone  
For dirt all shit you Composes  
To this world we commit you  
This is not goodbye  
This is just a kiss before you die  
This is not goodbye  
Take my hand and close your eyes  
Now hold on  
To everything  
You thought that they had for you  
Life Love  
And eternal grace  
I wont forget you  
This is not goodbye  
This is just a kiss before you die  
This is not goodbye  
Take my hand and close your eyes  
And show me  
Your not afraid  
Show me  
Show me  
Your not afraid  
And if I could  
I would take all the pain  
For you  
You know if I could  
I would take all the pain  
For you  
Pain for you  
Close your eyes  
Heres a kiss  
Before you die  
This is not goodbye  
This is jut a kiss before you die  
This is not goodbye  
Take my hand and close your eyes  
And show me  
Your not afraid  
Show me

Show me  
And show me  
Your not afraid
