I got no regret right now, I'm feeling this
The air is so cold and low, I'm feeling this
Let me go in her room, I'm feeling this
I wanna take off her clothes, I'm feeling this

Show me the way to bed, I'm feeling this
Show me the way you move, I'm feeling this
Fuck it, it's such a blur, I'm feeling this
I love all the things you do, I'm feeling this

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

Where do we go from here?
Turn all the lights down now
Smiling' from ear to ear, I'm feeling this
Our breathing has got too loud, I'm feeling this

Show me the bedroom floor, I'm feeling this
Show me the bathroom mirror, I'm feeling this
Were taking this way too slow, I'm feeling this
Take me away from here, I'm feeling this

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

This place was never the same again after you came
and went
How can you say you meant anything different
To anyone standing alone on the street
With a cigarette on the first night we met?

Look to the past and remember her smile

And maybe tonight I can breathe for a while
I'm not in this scene, I think I'm falling asleep
But then all that it means is I'll always be dreaming of
you

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

Fate fell short this time
Your smile fades in the summer
Place your hand in mine
I'll leave when I wanna
