I've got no regret right now  
(I'm feelin' this)  
The air is so cold and null  
(I'm feelin' this)  
Let me go in her room  
(I'm feelin' this)  
I love all the things you do  
(I'm feelin' this)

Show me the way to bed  
(I'm feelin' this)  
Show me the way you move  
(I'm feelin' this)  
Fucking is such a blur  
(I'm feelin' this)  
I love all the things you do  
(I'm feelin' this)

Fate fell short this time  
Your smile fades in the summer  
Place your hand in mine  
I'll leave when I wanna

Where do we go from here  
Turn all the lights down now

Smiling from ear to ear  
(I'm feelin' this)  
Our breathing has got too loud  
(I'm feelin' this)  
Show me the bedroom floor  
(I'm feelin' this)

Show me the bathroom mirror  
(I'm feelin' this)  
We're taking this way too slow  
(I'm feelin' this)  
Take me away from here  
(I'm feelin' this)

Fate fell short this time  
Your smile fades in the summer

Place your hand in mine  
I'll leave when I wanna

Fate fell short this time  
Your smile fades in the summer  
Place your hand in mine  
I'll leave when I wanna

This place was never the same again  
After you came and went  
How can you say you meant  
Anything different to anyone

Standing alone on the street with a cigarette  
On the first night we met

Look to the past and remember her smile  
And maybe tonight I can breathe for awhile  
I'm not in the scene, I think I'm fallin' asleep  
But then all that it means is, I'll always be dreamin' of  
you

Fate fell short this time  
Your smile fades in the summer  
Place your hand in mine  
I'll leave when I wanna

Fate fell short this time  
Your smile fades in the summer  
Place your hand in mine  
I'll leave when I wanna

Fate fell short this time  
Your smile fades in the summer  
(So lost and disillusioned)  
Place your hand in mine  
I'll leave when I wanna  
(So lost and disillusioned)

Fate fell short this time  
(Are we alone do you feel it)  
Your smile fades in the summer  
(So lost and disillusioned)  
Place your hand in mine  
(Are we alone do you feel it)  
I'll leave when I wanna  
(So lost and disillusioned)

Fate fell short this time  
(Are we alone do you feel it)  
Your smile fades in the summer

(So lost and disillusioned)  
Place your hand in mine  
(Are we alone do you feel it)  
I'll leave when I wanna  
(So lost and disillusioned)
