I got to regret right now
(I'm feeling this!)
The air is so cold and null
(I'm feeling this!)
Let me go in her room
(I'm feeling this!)
I love all the things you do
(I'm feeling this!)
Show me the way to bed
(I'm feeling this!)
Show me the way you move
(I'm feeling this!)
How can you be such a blur?
(I'm feeling this!)
I love all the things you do!
(I'm feeling this!)

Fate fell short this time
your smile fades in the summer
place your hand in mine
I'll leave when I wanna

Where do we go from here?
Turn the lights down now
Smile from ear to ear
My breathing has got too loud
Show me the bedroom floor
Show me the bathroom mirror
We're taking this way to slow
Take me away from here

Fate fell short this time
your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

(Fate fell short this time
your smile fades in the summer
place your hand in mine
I'll leave when I wanna)

This place was never the same again
after you came and went
how can you say you meant anything different
to anyone
standing alone on the street
with a cigarette
on the first night we met

Look to the past and remember her smile
and maybe tonight I can breathe for a while
I'm not in the seat
I think i'm falling asleep
but then its all I could need cuz i'll always be dreaming
of you

Fate fell short this time
your smile fades in the summer
Place your hand in mine
I'll leave when I wanna

Fate fell short this time
your smile fades in the summer
Place your hand in min
