I can't get my feet up off the edge.
I kinda like the little rush you get,
When you're standing close to death;
Like when you're driving me crazy.

Hold on as we crash into the earth.
A bit of pain will help you suffer when you're hurt,
For real.
'Cause you are driving me crazy.

By your lips,
Your word's a robbery
Do you grin inside?
You're killing me.
All along we talked of forever.
I kinda think that we won't get better.
It's the longest start,
But the end's not too far away.
Did you know,
I'm here to stay?

We'll stagger home after midnight.
Sleep arm in arm in the stairwell.
We'll fall apart on the weekend.
These nights go on and on and on.

I can't get your voice out of my head.
All I hear are the many echoes of the darkest words
you've said,
And it's driving me crazy

I can't find the best in all of this,
But I'm always looking out for you;
'cause you're the one I miss,
And it's driving me crazy.

By your lips,
Your word's a robbery
Do you grin inside?
You're killing me.
All along we talked of forever.
I kinda think that we won't get better.

It's the longest start,
But the end's not too far away.
Did you know,
I'm here to stay?

We'll stagger home after midnight.
Sleep arm in arm in the stairwell.
We'll fall apart on the weekend.
These nights go on and on and on.

We'll stagger home after midnight.
Sleep arm in arm in the stairwell.
We'll fall apart on the weekend.
These nights go on and on and on.

We'll stagger home after midnight.
Sleep arm in arm in the stairwell.
We'll fall apart on the weekend.
These nights go on and on and on.

We'll stagger home after midnight.
Sleep arm in arm in the stairwell.
We'll fall apart on the weekend.
These nights go on and on and on.
