Home show, mom won't know, run out the back door  
He's passed out on the floor  
Third time been caught twice, forgive our neighbor Bob  
I think he humped the dog

But good things come to those who wait 'cause she laid  
me  
And mom and dad possess the key, instant slavery  
No need explain the plan, no need to even bother  
I'll pack my bags, I swear I'll run, wish my friends were  
21

White lies, blood shot eyes  
Breath of alcohol, stole it from the mall  
How's Chris marked with lipstick?  
Better call their fathers, sleeping with your daughters

But good things come to those who wait, 'cause she  
laid me  
And mom and dad possess the key, instant slavery  
No need explain the plan no need to even bother  
I'll pack my bags, I swear I'll run, wish my friends were  
21

You don't belong, you left the kids to carry on  
You planned their fall, too bad you're wrong  
Don't need a mom, dad slave drive song  
I time bomb, I time bomb, I time bomb  
I time bomb, I time bomb

Turn low the radio, I think I hear my dad  
Yelling at the band

But good things come to those who wait, 'cause she  
laid me  
And mom and dad possess the key, instant slavery  
No need explain the plan no need to even bother  
I'll pack my bags, I swear I'll run, wish my friends were  
21

You don't belong, you left the kids to carry on  
You planned their fall, too bad you're wrong

Don't need a mom dad slave drive song  
I time bomb, I time bomb, I time bomb  
I time bomb, I time bomb, I time bomb  
I time bomb, I time bomb, I time bomb
