[Tom] You guys wanna hear a song that I wrote about 4 days ago? You really don't have a choice so you might as well be into it.

[Mark] Yeah, you might as well act like you wanna hear it, cuz otherwise we'll play it twice.

[Tom] Yeah, you bastards. Song goes like this.

[Music Starts]

It would be nice to have a blow job
It would be nice to have a blow job
It would be nice to have a blow job
It would be nice to have a blow job
It would be nice to have a blow job
It would be nice to have a blow job
It would be nice to have a blow job
It would be nice to have a blow job
