Got a lotta heart ache
He's a fuckin' weasel
His issues make my mind ache
Want to make a deal

'Cause I love your little motions
You do with your pigtails
What a nice creation
Worth another night in jail

He's a player, diarrhea giver, tried to grow his hair out
When friends were listening to slayer
I would like to find him Friday night
Hanging out with mom and trying on his father's tights

Life just sucks, I lost the one
I'm giving up, she found someone
There's plenty more
Girls are such a drag

So all you little ladies
Be sure to choose the right guys
You'll come back to me maybe
I'll shower you with lies

Got a lotta heart ache
He's a fuckin' weasel
Decisions make my mind ache
Want to make a deal

Ease away the problems and the pain
The girl chose the one guy who makes you want to kick
and scream
All along, you wish that she would stay
Fuck the guy who took and ran away

And he's a player, diarrhea giver, tried to grow his hair
out
When friends were listening to slayer
I would like to find him Friday night
Hanging out with mom and trying on his father's tights

Life just sucks, I lost the one
I'm giving up, she found someone
There's plenty more
Girls are such a drag

Fuck this place, I lost the war
I hate you all, your mom's a whore
Where's my dog?
'Cause girls are such a drag
