In the car, I just can't wait...
To pick you up on our very first date
Is it cool if I hold your hand?
Is it wrong if I think it's lame to dance?
Do you like my stupid hair?
Would you guess that I didn't know what to wear?
I'm just scared of what you think.
You make me nervous so I really can't eat

Lets go... don't wait... this nights almost over
Honest... lets make... this night last forever
Forever, and ever... lets make this last forever
Forever, and ever... lets make this last forever

When you smile, I melt inside
I'm not worthy for a minute of your time
I really wish it was only me and you
I'm jealous of everybody in the room
Please don't look at me with those eyes
Please don't hint that your capable of lies
I dread the thought of our very first kiss
A target that I'm probably gonna miss

Lets go... don't wait... this nights almost over
Honest... lets make... this night last forever
Forever, and ever... lets make this last forever
Forever, and ever... lets make this last forever

Lets go... don't wait... this nights almost over
Honest... lets make... this night last forever
Forever, and ever... lets make this last forever
Forever, and ever... lets make this last forever

(I'll never forget tonight)

Forever, and ever... lets make this last forever
Forever, and ever... lets make this last forever

(I'll never forget tonight)
