Hanging out behide the club on the weekend
acting stupid,getting drunk with my dest friend
I coulen't wait for the sumer and the Warped tour
I remember it's the first time I saw her...there

she's getting kicked out of school cause she's failing
I'm kinda nervous,cause I think all her friends hate me
she's the one she'll always be there
she took my hand in a minute it i swere

because i fell in love with the girl at the rockshow
she said "why?" I said i didn't know
she's so cool,gonna sneak in her window
everything's better when she's around
I can't wait till her parents go out of town
I fell in love with the girl at the raockshow

when we said we were gonna move to vagas
I remember the look her mother gave us
17 without a purpous of direction
we don't owe anyone a fucking explanation

I fell in love with the girl at the rockshow
she said "why?" I told her i didn't know
she's so cool,gonna sneak in her window
everything's better when she's around
I can't wait till her parents go out of town
I fell in love with the girl at the rockshow

black and white picture of her on my wall
I waited for her call,she always kept me waiting
and if I ever got another chance i'd still ask her to
dance
because she kept me waiting

I fell in love with the girl at the rockshow
she said "why?" I told her I didn't know
she's so cool, gonna sneak in her window
everything's better when she's around
I can't wait till her parents go out of town
I fell in love with the girl at the rockshow

with the girl at the rockshow
with the girl at the rockshow
(I'll never forget that night)
with the girl at the rockshow
