Please take me by the hand
It's so cold out tonight
I'll put blankets on the bed
I won't turn out the lights

Just don't forget to think about me
And I won't forget you
"I'll write you once a week", she said

Why does it feel the same
To fall in love or break it off?
And if a young love is just a game
Then I must have missed the kick-off

Don't depend on me
To ever follow through on anything
But I'd go through hell for you

And I haven't been this scared, in a long time
And I'm so unprepared, so here's your valentine
Bouquet of clumsy words, a simple melody
This world's an ugly place but you're so beautiful to me

I think about the times she kissed me after class
And she put up with my friends, I acted like an ass
I ditched my lecture to watch the girls play soccer
Is my picture still hanging in her locker?

I haven't been this scared, in a long time
And I'm so unprepared, so here's your valentine
Bouquet of clumsy words, a simple melody
This world's an ugly place but you're so beautiful

I haven't been this scared, in a long time
And I'm so unprepared, so here's your valentine
Bouquet of clumsy words, a simple melody
This world's an ugly place but you're so beautiful
