Tom: I think Satan has a couple comments.

Satan: Well kids, it's been a really fun show.
And I want you all to know we will come back soon.
But before I go I wanna say, I think Tom is extremely
good-looking
And all the girls out there should think hes good
looking.
Tom has one of the best butts that I've ever seen.
Shimmy-shimmy-co-co-bop-shimmy-smimmy right.
Shimmy shimmy co-co-bop.
Does anybody here wanna sleep with me?
I'm really a nice guy.
It's really not satan.

Tom: It's me! It's not satan!
Let's all be happy he's not here and say "Fuck Satan"

Allright, hey, uh, I'm outta jokes and outta songs.
I think were done.
