I miss you

Hello there, the angel from my nightmare  
The shadow in the background of the morgue  
The unsuspecting victim of darkness in the valley  
We can live like Jack and Sally if we want

Where you can always find me  
And we'll have halloween on Christmas  
And in the night we'll wish this never ends  
We'll wish this never ends

I miss you, miss you  
I miss you, miss you

Where are you and I'm so sorry  
I cannot sleep, I cannot dream tonight  
I need somebody and always  
This sick, strange darkness  
Comes creeping on so haunting everytime

And as I stared I counted the webs from all the spiders  
Catching things and eating their insides  
Like indecision to call you and hear your voice of  
treason  
Will you come home and stop this pain tonight?  
Stop this pain tonight

Don't waste your time on me you're already the voice  
inside my head  
(I miss you, miss you)  
Don't waste your time on me you're already the voice  
inside my head  
(I miss you, miss you)

Don't waste your time on me you're already the voice  
inside my head  
(I miss you, miss you)  
Don't waste your time on me you're already the voice  
inside my head  
(I miss you, miss you)

Don't waste your time on me you're already the voice  
inside my head  
(I miss you, miss you)  
Don't waste your time on me you're already the voice  
inside my head  
(I miss you, miss you)

(I miss you, miss you)  
(I miss you, miss you)  
(I miss you, miss you)
