In sleep he sang to me, in dreams he came  
That voice which calls to me and speaks my name  
And do I dream again? For now I find  
The Phantom of the Opera is there inside my mind

Sing once again with me our strange duet  
My power over you grows stronger yet  
And though you turn from me to press behind  
The Phantom of the Opera is there inside your mind

Those who have seen your face draw back in fear  
I am the mask you wear it's me they hear  
Your spirit and my voice in one combined  
The Phantom of the Opera is there inside your mind  
(The Phantom of the Opera, the Phantom of the Opera)
