Tom: I'm going to come back and I'm going to start  
a therapeutic massage center only for for...

Mark: I'm going to start my own nudist colony

Tom: That would be grose, you tried that in our bus one  
time

Mark: I tried to start our own nudist colony in our  
bus and it was pretty much just me hanging out naked,  
they love you Tom

Tom: They love me so fuck everybody else

Mark: Yea fuck all you guys out there that are cheering,  
yea we hate you Tom you suck dick burn in hell

Tom: Yea fuck that, hey I say I say fuck the hating

Tom thing that's what I say, are we ready Mark

Mark: You know what it is you know what it is a lot  
of these people are just now hopping on the we hate  
Tom bandwagon, like I've been hating tom since like  
1995 I'm old school hating Tom guy alright

Tom: Oh shit, hey let's all say some dirty words,  
everybody say fuck, everybody say shit,  
everyone say dick, everyone say Mark's an ass hole

Mark: Everyone say, everyone say we hate Mark, yea

Tom: Hey now let's do this one,  
everyone say fuck fuck shit fuck,  
that's the kind of words you should be using at home  
kids

Mark: That's right

Tom: What do we do now

Mark: I want everyone to call me an ass hole again

Tom: What's up I like your hair it's very nice

Mark: You like his hair oh cool thanks he probably  
appreciates that a lot

Tom: I wanted to say I liked your but but I thought  
that was to foward you know

Mark: Hey this next song is for all the ladies in the  
hezouse, hea he it's for all the ladies in the  
heoueoueouze

Tom: Mark!

Mark: What

Tom: Shut the fuck up

Mark: It's for all the ladies in the houaeiouze,  
weee. Hey you know what hang on I want to make this

like a

Tom: (belch) excuse me

Mark: Excuse Tom

Tom: Sorry

Mark: I want to make this like a big golf tournament  
everyone shut up everybody just clap like it's a golf  
tournament

Tom: That's what it sounds like when I get done having  
sex, 15,000 people cheering me on,  
I could take all of you in my bed right fucking now,  
but you're not invited Mark.

You have got giant boobs and I doubt you're 18,  
do you have a note from your mom, I want to meet your  
mom...

Mark: Hey put those 13 year old boobs away,  
if I wanted to see 13 year old boobs I'd hang out by  
the Junior high like my dad like my dad does

Tom: Hey you know what I learned in fifth grade

Mark: What's that your dad has a bent weiner

Tom: My dad's weiner was bigger than mine then and  
still is

Mark: I want everyone here to scream,  
fuck you Tom, we fucking hate you you're going to burn  
in hell and die a horrible fiery death cause' we hate  
you stupid pieces of shit

Tom: I heard that

Mark: Thanks

Tom: You want to give me your shirt,  
this smells like blood and feces, dinner time ok what  
does this say here

Mark: It smells like blood and feces, so it's your dad's  
shirt

Tom: Hey uh just like every other band we believe in  
a safe form of sex don't we Mark,  
that we do so Mark's going to tell you about how safe  
we are

Mark: Let me tell you about the safest form of sex,  
it's when you get super drunk and you have sex with  
like ten people totally unprotected and you do  
intravenous

drugs at the same time, no it's not true

Tom: It's not true you have to carry a weapon.

How many of you guys have girlfriends and how many  
of your girlfriends have guy friends, I hope you're not  
having sex

Mark: And more importantly how many of your  
girlfriends have girlfriends

Tom: Cause' we believe in the love that exists between  
two vaginas

Mark: The most special kind of love of all is the love  
that exists between two naked women while I watch

Tom: We need her to put her shirt back on

Mark: Please

Tom: It just took away my boner,  
my boner just died, I had one and now it's gone

Mark: Please I saw your boobs and my wiener ran away.  
Hey hey hang on everyone everyone seriously I need  
your attention for just a second please,  
I think somebody lost a contact down here so everyone  
look around a contact lense hey someone lost a contact  
lense so uh...

Tom: I lost my virinity

Mark: Keep an I out for it

Tom: I lost a testacle, hey what if testacles were  
things you could lose on a everyday basis that would  
suck, you've only got three, hey I've got to go pee pee

Mark: Do you want to go pee and I'll talk to the kids for  
a second

Tom: Do you think you can talk for enough time

Mark: No uh uh

Tom: Why don't you gather your thoughts

Mark: Why don't you just wet your pants and we'll call it  
even

Tom: Should I just piss in my pants right here,  
if you guys all pitch in a dollar each I'll piss my  
pants right here now, that should pay me about two-  
hundred bucks maybe

Mark: I'll give you three-hundred dollars to piss your  
pants right now

Tom: I'll give you four-hundred bucks to eat my shit

Mark: Sold

Tom: Sold, apparently there's a kid that's hurt right  
now and I think they're helping them out right now,  
it looks like they're right there

Mark: Make a hole people make a hole

Tom: All you people over there make way for the hurt  
kid and bring me their wallet

Mark: I wish now you know let me tell you guys  
something...

Tom: I'm gay!

Mark: There's thousands and thousands of people here  
today there's like semis and fucking buses and  
multiple

bands and all kinds of shit,

I wish now I would have taken bass lessons, sorry sorry

Tom: So do I, I wish you did too

Mark: I'm thinking for Christmas this year I'm going to  
ask for lessons

Tom: I know a guy, he has sex with his sister,  
he used his dick to pop her four foot blister,  
and I know it's not that cool,  
he fucked her in my swimming pool,

he's got three testacles, and he loves to do shit,  
fuck yea. Hey how come every time we say a joke it  
has to be about fucking sex masturbation insect,  
or anything gross like that you know

Mark: Is there anything else in the world

Tom: There's nothing else to talk about

Mark: Hey can you help that little girl out of there  
she's not having so much fun right now, hey

Tom: Uh excuse me, security guard sir

Mark: The one right in front of you, yea

Tom: Yea that girl right there needs to come out,  
if you're a small person the front is not the best  
view, and if you hate seeing shitty bands any of this  
is not a good view, this whole everything every seat  
here. Mark's middle name is Rebecca, they thought he  
was a...

Mark: That's right, my middle names Rebecca because  
my dad wanted a girl, he treats me like one

Tom: I still have to go pee and I'm holding it in still,  
I'll piss my pants though for money,  
I'll eat a nugget of my own poop for twenty bucks,  
I'll pay you twenty bucks and I'll eat it

Mark: You shave your ass

Tom: You have hair on nothing but your balls,

Mark has no hair on his whole body but a fucking  
wolverine

growing in his pants, I swear to God, it's got teeth and  
shit

Mark: It's true

Tom: He's got a scary looking penis

Mark: It's true I need your tax deductible donations  
for the shave Mark's balls program, please

Tom: It's for charity kids

Mark: Please send what you can, donate your time

Tom: You guys think that we're touring for our own,  
no this is a charity tour for Mark's balls

Mark: We're trying to raise enough money to shave my  
nuts, please give generously

Tom: There's no metal strong enough to be the teeth  
on any kind of electric shaver, what do we do now, oh I  
need a new guitar

Mark: We need a new guitar,

we need a new guitarist, any one out there play guitar

Tom: Does anybody know how to play guitar cause' I'm  
not very good, people don't really respect me

Mark: If I were a girl, every time I went to the  
gynecologist,  
I'd fake an orgasm

Tom: Bad kids

Mark: Bad christmas spirit

Tom: Bad christmas spirit

Mark: Hey ok I need light now

Tom: We're going to point out every single person that didn't sing

Mark: Santa Claus is going to come to your house and shit under all your trees

Tom: Santa Claus is going to come rape your dogs,  
Oh God you know what I'm kind of ashamed of being myself

today, and yesterday and the day before that,  
not really proud of who I am or how I look.

Any one have one of those days were you don't even really like what you're wearing,  
you know, you don't like how your hair looks,  
and kind of bummed about how your penis is so small and bent and wierd. That is the ugliest but I have ever seen. Let's hear it for not wiping!

And this guy fuck wiping dude,  
brings down the rain forest. Ok this is a song I wrote...

Mark: That guy has a science fair project up his ass

Tom: Uh what head's up seven up,  
everyone close your eyes and if I come by and if I come by and put my finger in you but than you're the one.

I think that Satan has a couple of comments:

Well kids it's been a really fun show,  
and I want you all to know that we'll come back soon,  
but before I go I want to say I think Tom is extremely good looking and all the girls out there should think he's good looking. Tom has one of the best butts that I've ever seen, shimi shimi coco puff shimi shimi right shimi shimi coco puff. Does anybody here want to sleep with me. I'm really a nice guy, it's really not Satan...  
It's me it's not Satan let's all be happy he's not here say fuck Satan

Alright I'm out of jokes and out of songs, I think we're done.
