Six bottles went down the drain  
One hour's a waste of time  
I'd ask if you feel the same  
Still pushin' that chance to try  
Your breath in this cool room chill  
Long hair that blows side to side  
You speak and make time stand still  
And each time you walk right on by?

Like violence  
You have me  
Forever and after  
Like violence  
You kill me  
Forever and after

Can't count all the eyes that stare  
Can't count all the things they see  
She kills with no life to spare  
Just victims are left to bleed  
One drink and the pain goes down  
Soft shadows lay by her feet  
Lay soft as you slowly drown  
Lay still as you fall asleep  
(Fall asleep)

Like violence  
You have me  
Forever and after  
Like violence  
You kill me  
Forever and after  
(And after, and after, and after)

Like violence  
You have me  
Forever and after  
Like violence  
(Like violence)  
You kill me
