You make me com....  
You make me complete  
You make me completely misrable

Stuck to a chair  
Watching this story about me  
Everything goesby so fast makin my head spin  
Used up all of my friendsbut who needs them  
When you mean everything  
Well I love the things, that we should fear  
And Im not afraid of beeing here  
So much to say, it makes me helpless, again

Nothin to share  
Why should I care if you knew me  
Give up all of my plans  
And who needs them  
When you mean everything  
I love the things, that we should fear  
And Im not afraid of beeing here  
So much to say, it makes me helpless, again

Yeah! Yeah!  
You make me com  
Yeah! Yeah!  
You make me complete  
Yeah! Yeah!  
You make me completely misrable

And I love the things, that we should fear, again

You make me com....  
You make me complete  
You make me completely misrable

Yeah! Yeah!  
You make me com  
Yeah! Yeah!  
You make me complete  
Yeah! Yeah!  
You make me completely misrable
