

Blisse "Until The World"

Visit "[Until The World](#)" on MotoLyrics.com

I lose myself to find in me,
the way it really ought to be.
It's hard to say I love you, It's
hard to say I need you.

If all is well it's hard to tell,
it hurts to think of someone else.
It's hard to say I'll be there,
it's hard to say I really, really care.

Until the world won't turn,
till the planets burn,
till the sun dies I'll be there.
Until the heavens come,
till this life is done,
till the world dies I'll be there.

I can't see outside myself,
how can I live for someone else.
It's hard to say I'm sorry,
It's hard to say forgive me.
I can't believe you're here with me,
into the future I can't see.
It's hard to say forever,
it's hard to say I'll never, ever go.

Until the world won't turn,
till the planets burn,
till the sun dies I'll be there.
Until the heavens come,
till this life is done,
till the world dies I'll be there.

Until the world won't turn,
till the planets burn,
till the sun dies I'll be there.
Until the heavens come,
till this life is done,
Until the world dies I'll be there.

Until the world won't turn,
till the planets burn,

till the sun dies I'll be there.
Until the heavens come,
till this life is done,
till the world dies I'll be there.
