"I Hate You"

I want you to release me
I want you to let me go
Because I've heard the truth and now I know
You've been raping and stealing for way too long
Forcing yourself and doing wrong
I'm standing at the gates all soaked in the blood
And you've got nothing that can bring me down

I hate you because of all you do
I hate you, I belong
I hate you, now I know the truth
I hate you because you are wrong

I want you to start to bleed
You are going to step aside
Because I've heard the truth and now I know
The time is coming when you're going down
You'll get spineshanked you're outranked now
I'll let God damn you while I stand tall and resist
You've got nothing that can bring me down

I hate you because of all you do
I hate you, I belong
I hate you now I know the truth
I hate you because you are wrong

I've heard the truth now I know
