All the punx are standing in front of the stage
To watch the B-boys show their rage.
Oh the night is young and we got many songs to play.
All the boys are screaming loud
And the girls are looking fine tonight, alright.
We got the chorus coming up and here it is.

1-2-3 here we go
The B-boys are back, so get ready for the show
1-2-3 here we go
The B-boys are back, so get ready for the show

All the punx and all the local drunks
And the sexy girls in small tight shirts
Are longing for the boys, that are making all the noise.
Say hey, say ho, are you ready for the B-boys show?
Say hey, say ho, C  mon let  s go.

I am always up for a good time
All that I want is to have fun
The cops they try, but they can  t keep me down
Coz the B-boys got my back
And then we  ll have another round.
