They help you up so they can kick you down
Again and again coz that's what they do for fun
They have the uniforms, they have the guns
Please chase me coz I like to run

Hello boy, what's your name?
I'm gonna beat you black and blue
Coz i'm a cop (i'm a cop)
I have a uniform, a gun and protection by the law

1-2-3 and down you go
They like beating up punx like you
With their hands held high they say hello
They really love you so

They press you up against the wall
They kick you in the balls
They smash your kneecaps so that you fall
The law is wonderful
