Ion square, [Incomprehensible]  
I breathe out, you breathe in  
Permanent midnight  
Hour alone, an hour alone

How we've come to depend  
On each other to the end  
The space between us has disappeared  
You finish my, you finish my words for me

I remember how it began  
So many great days in a row  
Barefoot on Bishop's gate  
Trying to find Blake's grave

If it could stay like this in a silver foil  
Trapped in amber for a [Incomprehensible]  
Permanent midnight  
Hour alone, hour alone

I carry your heart here with me  
I carry it in my heart  
I carry your heart with me  
I carry it in my heart

Who said unbroken happiness  
Is a bore, is a bore?  
Who said it, my love? I don't mind it  
Anymore, anymore

And I reach out a hand over your side of the bed

Pull that blanket over your shoulders exposed to the  
night  
And the hunger of those early years will never return  
But I don't mind, I don't mind

'Cause I love my mind when I'm f\*\*king you  
Slowed down to a crawl  
Years of crying and the bread line  
Not at all did you shine

So let's stay in, let the sofa be our car  
Let's stay in, let the TV be our stars  
I found my dancing shoes but they don't fit  
All the bright lights do is bore me  
Yes, they bore me, yes, they bore me

I carry your heart here with me  
I carry it in my heart  
I carry your heart with me  
I carry it in my heart

I carry your heart here with me  
I carry it in my heart  
I carry your heart with me  
I carry it in my heart
