Hey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, hey

She's hearing voices, call her
She's hearing voices, warn her
She just can't sleep in her bed
She just can't sleep

She's falling down the stairs
She's tearing out her hair
She's screaming my name in the night
To keep her warm

She got a red pill, blue pill
Red pill, blue pill, red pill
Blue pill, red pill, blue pill
Red pill, blue pill, red pill, blue pill
Red pill, blue pill, milk of amnesia

Hey, hey, hey, hey

C'mon, I know that you want it
There's nothing, nothing to shout about
Jump, jump back in

She got a red pill, blue pill
Red pill, blue pill, red pill
Blue pill, red pill, blue pill
Red pill, blue pill, red pill
Blue pill, red pill, blue pill, red pill

She got a red pill, blue pill
Red pill, blue pill, red pill
Blue pill, red pill, blue pill
Red pill, blue pill, red pill, blue pill
Red pill, blue pill, milk of amnesia

She's scared of the blacks
And she's scared of the Jews
And she is walking around

Trying to take yesterday's news

And she calls out my name
In the dead of the night
She is leaving my room
She is crying on her side

I'm walking on eggshells
I'm walking on glass
I'm burnt by the mirror
I'm burnt by the light

I'm feeling rejection
I'll burn down your house
I'm tearing down posters
I was never alive
