I caught a glimpse
But it's been forgotten
So here we are, again

I made a vow
To carry you home, oh
I really tried
To be what you wanted

It all went wrong, again

I made a vow
To carry you home
If you fall sick
If you pass out, out

How, how, how, how

I figured it out
I figured it out
I figured it out
I figured it out

I can see it again
I can see it again
I can see it again
I can see it again

I can see it again
