And in the dark, it comes for me  
Malevolent and without thought  
Uprooting trees, destroying cars  
Cold and relentless with arms outstretched

No boat nor brick  
nor crucifix can hold it back  
I have been wicked  
I have been arrogant

And when it comes it will feel like a kiss  
Silent about it  
And when it comes it will feel like a kiss  
And I cannot say that I was not warned or was misled  
When it comes it will feel like a kiss

Awaken from dreams of drunken car crashes  
You saddened my friends and claimed all my lovers  
I try to stay still so it will not see me  
Its talons rake the side of my face  
I want you to be calm  
You're such a slut

And when it comes it will feel like a kiss

Silent about it  
And when it comes it will feel like a kiss  
And I cannot say that I was not warned or was misled  
When it comes it will feel like a kiss

And I didn't think I'd catch fire when I held my hand to  
the flame  
And I didn't think it would catch up as fast as I could  
have run  
Fate came a-knocking when I was looking the other way  
A new disease came in the post for me today

And when it comes it will feel like a kiss  
And when it comes it will feel like a kiss  
And when it comes  
(And when it comes)  
And when it comes

(And when it comes)  
And when it comes  
(and when it comes)  
And when it comes  
It will feel like a kiss.
