(music / lyrics by Elbelman)

I hear your scream in through the darkness
I'm your really help from twilight zone
Master calls my name with pain sword now is in his
right hand
His blood are weting all my own I feel the scare it
makes me run
The Beast can't survive of the

Chorus:

Last battle...soldiers fight the world

Master lays over flow of evil power concented of gods
From hell they send us too much rain charged of hate
and holy rage
Now the eight rings are with my sword, soul's people
forever free
From the creator of the

Chorus

(solo 1: Elb ; solo 2: Ach ; solo 3: Elb ; solo 4: Ach ; solo
5: Elb ; solo 6: Ach)

Soldiers of death ride with me to the north star to be
forever free
In a holy earth burner begins eight rings and fire open
seas
The sky turns red by the thunders of death
My eyes can see the white horseman of peace, he looks
back to me to seal...
