Scorned
Rejected
Child beaten to death
Rather be unborn

Face life of scorn, of rejected child
Better left unborn...

Scorned
Rejected
Child beaten to death
Rather be unborn

Who is to decide what is really crime, your crime,
Pro-lifers die!
Who is to decide what is really crime, your crime,
Pro-lifers die!

Your crimes!

Who is to decide what is really crime, your crime,
Pro-lifers die!
Who is to decide what is really crime, your crime,
Pro-lifers die!

Life born through doom
Raped mother-to-be
Have the right
To rebuild a better life
