I've got a little bag of buskets in my cookie jar  
I've got a little cup of coffee in my head  
I've got an awful big 'peace' of sugarpie when I look at  
you

You make me  
You make me

You make my heart spin round

I am paralyzed by the words I hear  
I spell your name and back again  
I want to have you all around  
I want to catch your orange brown

Monday is bleeding  
Tuesday is crying  
Wednesday is laughing  
Thursday I'm alone  
Friday is the day before  
I will cook you diner  
Saturday is hopefully  
Sunday when you think of me  
I am bored to death

How can I believe you  
When you don't even understand

You make me  
You make me...

You make my heart spin round

I am paralyzed by the words I hear  
I spell your name and back again  
I want to have you all around  
I want to catch your orange brown...
