Be my TV Guide
In between my stations
Be my satellite
Secret information

Stairway going one way
To the subway
Waiting for the train
Take it to the runway

Journal in the Square
Fingers in my hairdo
England in the air
Beatle in the bathroom

Highway going one way
Or another
Let's get in the car
Brooklyn Queens Expressway

Turning in the light
Singing to a doorway
Standing on the side
Listen to the subway

Highway going one way
Or another
Let's get in the car
Brooklyn Queens Expressway
