I must confess that what you say is true.  
You had a rendezvous with somebody new!  
It's the only one I've ever had.  
Baby, baby doncha go 'way mad.

The cheating shows and it never goes.  
You've got a reason to be mad, I suppose.  
She was only just a passing fad.  
Baby, baby doncha go 'way mad.

Her kind's a dime a dozen.  
That's not the kind you want.  
Who would have thought your cousin would wander  
into that restaurant?

Well, you understand that I feel upset.  
Whatd ya say that we forgive and forget?  
Come and kiss me just to prove you're glad.  
Baby, baby doncha go 'way mad.

Now her kind is a dime a dozen.  
You should have passed her by.  
Who would have thought your cousin would come  
along and give us the eye?

Well, you understand that I feel upset.  
Whatd ya say that we forgive and forget?  
Come and kiss me just to prove you're glad.  
Oh, I don't know.  
Baby, baby doncha go 'way mad.  
Come and kiss me just to prove you're glad.  
Oh, oh.  
Baby, baby doncha go 'way mad.  
Come and kiss me just to prove you're glad.  
Deborah darlin' doncha go 'way mad.  
Baby baby baby...
