In love with love, in love even when we're apart

In love with love, in love with a passionate heart

In love with love, in love even when we're apart

I wondered the difference of how it could last

I heard the celebration of champagne in glass

No wonder, it's no wonder why I'm

In love with love, in love with a passionate heart

In love with love, in love with the form of the art

We love through the fighting of everyday life

Of glass that gets broken and cuts like a knife

I wonder and I wonder why I'm

In love with love, in love with a passionate heart

In love with love, then on with the delicate march

Heart of fire, house of fire (of fire)

Heart of fire, house of fire

Heart of fire, house of fire (of fire)

Heart of fire, house of fire

Heart of fire, house of fire (of fire)

Heart of fire, house of fire

Heart of fire, house of fire (of fire)

Heart of fire, house of fire

Heart of fire, house of fire (of fire)

Heart of fire, house of fire

In love with love, in love with a passionate heart

In love with love, on fire with a passionate heart

Ablaze with reflection, our hot house is set

Blazing with a flaming with a fire, it's so passionately
racing

With a chaser, it's so hard to keep my wits about me

Yeah yeah yeah

Heart of fire, house of fire

Heart of fire, house of fire

Heart of fire, house of fire

Heart of fire, house of fire

Heart of fire, house of fire (of fire)

In love with a passionate heart (yeah yeah yeah)

[Ad lib 'til fade]
