Don't need no palace paved with gold.  
Don't need more cash than banks could hold.

Whenever I get the feeling.

My sweet l'il darlin' gives me his love.

Don't catch me chasing round at night.i'm not  
impressed by glamorous sights.

L'il darlin' is obvious pretty.  
So many guys you may see.  
But my little darlin' only loves me.

I know he only loves me.  
Yes, he loves me.  
I know.  
I know he loves me.

Oh yes, I know my man's in love with me.  
Something, something tells me constantly.

Oh I'll never be the object of all men's eyes.  
Or win no beauty prize.  
It's me, and me alone he can see.  
He likes to stay home in the evening.  
Most people tell me he's rare.  
As long as he loves me, I don't care, I don't care, I don't  
care.  
I mean what I say when I say it...

Don't catch me chasing round at night.i'm not  
impressed by glamorous sights, no no no.

L'il darlin' is obvious pretty.  
So many guys you may see.  
But my little darlin' only loves me.  
My little darlin' only loves me.  
My little darlin' only loves me.  
He loves only me.
