Man overboard, sinking in a sea of love
Man overboard, he jumped, didn't need a shove
Oh, I've been sailing the sea of love, experiencing
romance
With what I know, he never stood a chance
(With what I know)

He gave it all for love
(He gave it all for love)
He gave it all for love
(He gave it all for love)

Said, lower the boats, he's sinking in a sea of love
Lower the boats, he's sinking in a sea of love
Yeah, I've been sailing the sea of love, experiencing
romance
With what I know, he never stood a chance, no
(With what I know)

Man overboard
(Man overboard)
Man overboard, man overboard
(Man overboard)
Man overboard throw him a line man overboard

He gave it all for love
(He gave it all for love, he gave it)
He gave it all for love
(Man overboard, he gave it)

He gave it all for love
(He gave it all for love)
He gave it all for love
(Man overboard, he gave it)
He gave it all for love
(He gave it all for love)
He gave it all for love
(Man overboard)
(Man overboard)
