Ah ah ah adventure
Very near and then you vanish
Rescue from invasion
Narrowly avoided
Have to live with nature
Hear a voice from a novel
Love persuasion
Very near and then you vanished
Some say he's too handsome
Some say he's unique
Steel the weave the night trick
Aphrodisiac
Ah oo ah the boy's herb
Vanilla vanilla
They say I'll never find him
Or evidence left behind
Flip a coin to decide it
Is it now or never?
Have to live with nature
I hear the voice from a novel
Love persuasion

Oh Orchidia
Steel the weave the night trick
Weave the tale you find
Reappear in a vision
My heart's racing with the rhythm
Even in the drum beat
Time will tell the story

Looking for an adventure
Here today gone tomorrow
Articles declaring
Evidence to follow
Heart is pumping to the rhythm
The story is repeated

The Orchid Club
Orchidia
Orchid Club
Orchidia
Where are ya? Where are ya?

Oh Orchidia
Where are you, Oh Orchidia?
Orchid Club
Orchid Club
