"Seven Rooms of Gloom"

I see a house, a lonely house
A house of stone 'cause now you're gone
Just seven rooms, that's all it is, seven rooms of gloom
I live with emptiness
Without your tenderness

You can take a dream I had for us
Turn my dream into dust
I watch a phone that never rings
I watch a door that never rings
Bringing you back into your life
Turn this darkness into light
I'm all alone, all alone
In this house that's not a home

I miss your love I once had known
Your tender, tender arms that comfort me

Without your love, your love inside
This house is just a place for me to run and hide
Seven rooms, that's all it is - rooms of gloom
Rooms of emptiness
Without your tenderness

Don't make me live from day to day
Watching a clock that ticks away
Another day, another way
Another reason for me to stay
I need you here, here with me
I need you darling desperately
I'm all alone, all alone
In this house that's not a home

I miss your kiss that was my own
Your tender, tender kiss that was my very, very own

Empty silence is surrounding me
Lonely walls they stare at me
Seven rooms, that's all it is - seven rooms of gloom
I live with emptiness
Without your tenderness

All the windows are painted black
And wait right here until you come back
I'll keep waiting, waiting
'Til your face again I see

Come again
Won't you come again
Whoa come again
Oh come again
