There's a banging in my head  
Every day I'm seeing red  
Feel I can do nothing at all 'til I break the chains  
Tear down the wall

Too many people tell me what to do, what to think and  
say  
Now it's time for me to do what I want  
You better get out of my way  
I'm moving out getting out of here

I can't waste anymore time  
Pack my bags, tie my shoes before I lose my mind  
You're standing, standing in my way  
Well, don't say, I didn't tell you

No one hold me back  
I'm gonna do some climbing  
I'm pulling in the slack  
Lots of things to see and do and none of them include  
you

I wrote your name on the bathroom wall  
You won't be lonely  
Everybody's gonna call  
Aw, you better move

Too many people tell me what to do, what to think, and  
say  
Now it's time for me to do what I want  
You better get out of my way  
I'm moving out, getting out of here

I can't waste anymore time  
'Cause I know  
It's all out there  
And some of it is mine

Yeah, that's right  
Better step aside  
Yeah, move it over  
Go on, get out of here
